Youth in foster care or aged out of system	0	0		0		1	100.0%		1	100.0%	0	

ADDITIONAL COMMENTS:

The state of Iowa continues to address reduced participation numbers for the Title I Dislocated Worker program. Beginning in March of 2020, the AJC sites were closed to public due to the COVID-19 pandemic. Additionally, many educational institutions suspended or cancelled in-person classes due to the pandemic which impacted individuals either enrolled or interested in the Title I program disproportionately due to the higher rates of poverty and other co-occurring barriers. While this global event has impacted performance measure such as "Employment 2nd Quarter" and "Median Earnings 2nd quarter," recovery efforts are being implemented across the state. Co-enrollment continues to be a priority for the state which is expected to increase counts. The AJCs re-opened in June 2021, and on-site monitoring visits are being used, not only for compliance, but technical assistance related to outreach and performance. In addition, an annual training plan was developed, and bi-weekly, statewide training is being provided to address needs, provide technical assistance, and share best practices amongst the service providers, including the Title I Dislocated Worker program.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

⁴Barriers to Employment are determined at the point of entry into the program.

Numbers entered into cells in this template are the same as the corresponding "report item number" on the report specification document. Clicking on each hyperlink will take the user to the plain text language

Public Burden Statement (1205-ONEW)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is mandatory (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210. Do NOT send the completed application to this address.
